DESCRIPTION

Ursuit DSH Hydro 275N is a lightweight, comfortable automatic lifevest with an actual buoyancy of 320N

The lifevest has a Quick Burst™ YKK zipper with a closed pattern (designed especially for Lifevests), and reflectors that go around the whole lifevest.

User comfort is enhanced with a neoprene collar mesh triangle which prevents air buildup under the clothes.

The lifevest has an adjustable waistband, crotch strap, marine grade whistle, oral inflation tube and an automatic inflator mechanism (Hammar MA1 automatic hydrostatic system). The CO2 cartridge is 60g.

The maintenance interval is 5 years. An inspection window indicates that the inflator mechanism and the cartridge is in working order.

The metallic buckles on the vest are anti-magnetic and have a D-ring for (ISO 12401) attaching the safety rope.

CE, ISO 12401, Coastal and offshore. Weight of the vest is 1100 grams and the warranty is 3 years
