DESCRIPTION

Suit material is durable and low-flammable Gore-Tex® NOMEX three-layer breathable fabric. Inside the suit heat seal taping and reinforcements guarantee 100 % water tightness. The suit is equipped with several reflective tapes in right places, which assure visibility in all conditions. The soft and durable reflective tapes are developed by 3M in accordance with the directive on marine equipment. Adjustable waist elastic. Gore-Tex® NOMEX socks, leg zippers. Reinforcement on the knees. Reinforcement at the backside. Dry zipper from the left shoulder to the right hip. Integrated braces. Two large thigh pockets with velcro fasteners, with outside velcro fasteners for chart pockets. Knife pocket on the right thigh. Phone pocket on the left thigh. Chest pockets with zippers. Two velcro fasteners for the attachment of badges on both shoulders. Two light pockets on the sleeves. Two pen pockets on the sleeves. Two leg pockets. Wrist seals of super stretch neoprene, keeping the wrists warm. The suit is delivered together with neoprene hood and gloves in a carrying bag.

Note: Due to high demand, the delivery time for these products is longer than 4 weeks. Thank you for your understanding. Please confirm the delivery time at info@ursuit.com
