DESCRIPTION

The Ursuit® Gemini Operative is a two-piece suit, with separate trousers and jacket, which can be combined into a drysuit with the waterproof waist zipper and Ursuk's patented ZipLock system. Material three-layer Gore-Tex®, that is breathable but still waterproof. Neck and wrist seals are waterproof and warming Super Stretch Neoprene. Knee and back reinforcements. Thanks to integrated Gore-Tex® socks you can choose shoes that fits best for your needs. Large thigh pockets, side-opened front pocket in jacket, leg and wrist tightening with reflective tapes, high collar lined with water resistant fleece and a yellow fluorescent hood inside the collar are features included to Ursuit Operative. The trousers have integrated suspenders and a pocket for phone. The set includes separate neoprene hood, gloves and user manual with fast repair patches.
