DESCRIPTION

Ursuit Slimline Pro automatic is a lightweight and comfortable lifejacket with 150 Newton buoyancy.

The fabric is UV-protected. The lifejacket has Quick Burst™ YKK zipper with a closed pattern, that is specially designed for lifejackets.

User comfort is enhanced with a neoprene collar. On the back there is a mesh triangle which prevents air buildup underneath the clothing. The lifejacket has an adjustable waistband, a crotch strap and a manual inflator.

The jacket has an UML Pro Elite Sensor Automatic cartridge with a 33g CO2 cylinder. The servicing interval of the cartridge is 3 years.

An information window indicates with green color that the cartridge and the cylinder are in working order. The metallic buckles on the jacket are anti-magnetic and have a D-ring for safety rope attachment

A whistle is included inside the jacket.

CE, ISO 12402, For coastal and offshore use. Weight: 856g. Warranty: 3 years.
