DESCRIPTION

Ursuit Slimline Pro automatic is a lightweight and comfortable life vest with 160 Newton buoyancy.

The fabric is UV-protected. The life vest has Quick Burst™ YKK zipper with a closed pattern, that is especially designed for life vest use.

User comfort is enhanced with a neoprene collar. On the back there is a mesh triangle which prevents air buildup underneath the clothing. The life vest has an adjustable waistband, a crotch strap and a manual inflator.

The vest has an UML Pro Elite Sensor Automatic trigger with a 33g CO2 cartridge. The servicing interval is 3 years.

An information window indicates that the trigger and cartridge is in working order. The metallic buckles on the vest are anti-magnetic and have a D-ring for safety rope attachment

A whistle is included inside the vest.

CE, ISO 12402, For coastal and offshore use. Weight: 856g. Warranty: 3 years.
