DESCRIPTION

Ursuit Slimline Pro manual is a lightweight and comfortable lifejacket with a 150 Newton buoyancy.

The fabric is UV-protected. The lifejacket has Quick Burst™ YKK zipper with a closed pattern specially designed for lifejacket use. User comfort is enhanced with a neoprene collar. On the back there is a mesh triangle which prevents air buildup underneath the clothing. The lifejacket has an adjustable waistband, a crotch strap and a manual inflator. The metallic buckles on the jacket are anti-magnetic and have a D-ring for safety rope attachment. A whistle is included inside the jacket.

The lifejacket has an UML Pro manual firing mechanism with a 33g CO2 cylinder.

Size table: mass \geq 40 kg's, chest 86-151 cm and length \geq 150 cm

CE, ISO 12402, For coastal and offshore use. Weight: 850g. Warranty: 3 years.

Compatible spare parts for this lifejacket:

- [CO2 cylinder 33G](#)
