DESCRIPTION

- OrcaTorch D630 is a perfect canister dive light for cave diving, wreck diving or similar technical diving activities. The light delivers up to 4,000 lumens, and its angle adjustable cable allows both 90° and 180° rotation between canister and light head. This makes the OrcaTorch D630 perfectly suited for both side mount and back mount diving. Its large-capacity battery pack provides up to 5 hours of excellent diving experience at the brightest mode. The battery pack can also be taken out and used as a power bank.
- **Featuring**
 - * Uses 5* CREE LEDs, max 4000 lumens* 90°~180° angle adjustable cable* Suitable for both back mount and side mount diving* 7° super focus beam* LED indicator offers an instant update of battery status* Rechargeable large capacity battery, 7.4V 89Wh (8*18650)* 5 hours long runtime at brightest mode* Battery can be used as a power bank* Battery charging indicator displays the charging status* Easy operation with side titanium alloy button switch * Safe lock function prevents misoperation* Intelligent overheat protection* Waterproof and corrosion-resistant construction. Depth rated up to 150 meters* Reverse polarity protection prevents improper battery installation* Over-discharge protection function* Constructed from aircraft-grade high strength aluminum alloy* The latest diamond grade hard-anodized seawater corrosion-resistance finish* Two-sided coated toughened glass with high water pressure resistance
- Runtime 5h - 23h50min.
