

QUALITY-SYSTEM APPROVAL

according to Marine Equipment Directive

NOTIFIED BODY 0809

This is to certify that the manufacturer

Ursuit Oy

operates an approved quality system for

**Immersion suits and anti-exposure suits
designed to be worn in conjunction with a lifejacket**

The examined quality system meets the provisions of The Marine Equipment Directive 2014/90/EU,
that apply to

production-quality assurance (module D).

The certificate was first issued on February 27, 2022

The Certificate is valid until February 27, 2025 unless cancelled or revoked.

Espoo February 27, 2022

Quality-system assessment reports

Audit of the plant on February 15 and 17, 2022. Inspection report of Eurofins Expert Services Oy No. EUFI29-22000572-I1, dated February 23, 2022.

Conditions

The manufacturer must fulfil the obligations arising out of the approved quality system.

The manufacturer must keep the notified body informed of any updating of the quality system.

This approval is subject to an annual renewal audit.

Notes

This certificate authorizes the manufacturer or his authorized representative established within the Community in conjunction with the EC Type Examination (Module B) Certificate of the equipment listed in the appendix of this certificate to affix the “Mark of Conformity” (wheelmark).

This certificate loses its validity if the manufacturer makes any changes or modifications to the approved quality system, which have not been notified to, and agreed with the notified body named in this certificate and after lapse of time, withdrawal or revocation of the EC Type Examination (Module B) Certificate.
